

MERCURY ADHESIVES M100XF

# World's Highest Performance CA

M100XF High Performance is the result of nearly two years of lab work by Mercury Chemists resulting in a formulation that is among the fastest, strongest and highest quality CA ever produced. M100XF is 100cps in viscosity, thicker than thin but thinner than medium and contains proprietary and patented ingredients not found in other CA's.

**USA MANUFACTURED**

**TRIPLE-SEALED PIN-IN-CAP**

**EVERY BOTTLE SERIALIZED AND TRACKED**

**UNCONDITIONAL PRODUCT REPLACEMENT WARRANTY**
